THE LEADER IN GLOBAL TEXTURE

Global Texture: /'glɔ̃'bəl /'teksCHər/

The phenomenon of races integrating to create a new breed of hair texture. Hair textures that don't conform to the stereotypical standards of race or ethnicity. Hair textures that don't fit under the typical categories of "straight," "wavy," or "curly."

For almost three decades, Ashtae Products has developed a brand that is recognized by professionals around the U.S., Canada, & the Caribbean. Since the very beginning, it was my parents' desire to provide our clients with the best this industry has to offer. Our team has mastered the provision of quality salon-exclusive products, hands-on professional training, educational excursions, and personal development coaching. Year after year, we continue to redefine learning and reshape lives of professionals in the hair care arena.

If you haven't already, we encourage you to try us out today.

Sincerely,
